

BONUS BUCKS IS BACK FOR THE 2021 SEASON!

Stretch your food dollars, support your local farmer and take advantage of the great local food we have right here in St. Lawrence County. It's a win, win for everyone! GardenShare's Bonus Bucks program, offers a cost sharing arrangement with income eligible St. Lawrence County residents to purchase either a Community Supported Agricultural (CSA) Share, or for purchases at any of the following five St. Lawrence County Farmers Markets: Canton, Potsdam, Massena, Gouverneur or Hammond.

How It Works

- 1) Determine if you meet the income criteria on attached application and if so,
- 2) Chose one of the following Bonus Bucks options:

Option 1: Community Supported Agriculture (CSA) Share

Through this option, you can work with one of the local growers (on back of this page) to pre-purchase a "Share" for the growing season. In essence, you become an investor in the farm and in exchange, you are guaranteed a return in produce at regular intervals throughout the season. Every farmer has slightly different arrangements with their "investors" so it is important for you to connect directly with the farmer in advance to determine which arrangement will work best for you. If you chose a CSA, GardenShare will match your costs, up to a maximum of \$250. For example, if you chose a share that costs \$350, we will match half of that cost. You pay \$175 and we pay \$175. If you chose a share that costs \$550, you pay \$300 and we pay \$250. You may be able to pay for your SHARE with SNAP benefits, but will require arrangements in advance, and will be considered on a case by case basis.

Option 2: St. Lawrence County Farmers Market Purchases

Purchase up to 50 Bonus Bucks Farmers Market cards worth \$10 each directly from GardenShare and we will match your costs up to \$250. For example, if you purchase 10 cards (worth \$100), you pay \$50 and we pay \$50. If you purchased 50 cards (worth \$500), you pay \$250 and we pay \$250. Those cards are then yours to be exchanged at any of the 5 St. Lawrence County Farmers Market Managers tables for Bonus Buck tokens that can be used as cash at the market for any SNAP eligible items. The tokens do not expire. This option is NOT available to SNAP recipients as there are other farmers market incentive programs we sponsor specifically for families receiving SNAP.

- 3) Once you have made your choice and decided what you wish to spend, fill out GardenShare's Bonus Bucks application and submit payment. All information must be provided as requested in order for your application to be considered.
- 4) Once application and payment is received by GardenShare, we will review and contact you to finalize the process.
- 5) Enjoy the amazing local food St. Lawrence County has to offer and help build a strong local food system!

Bonus Bucks will be available until funds are exhausted. Bonus Bucks is made possible through the generous support of the following organizations: St. Lawrence University Kappa Delta Sigma Sorority, Upper NY United Methodist Women, Towle Chiropractic and Nature's Storehouse, as well as through donations from GardenShare supporters.
